YEARS
of
EXCELLENCE

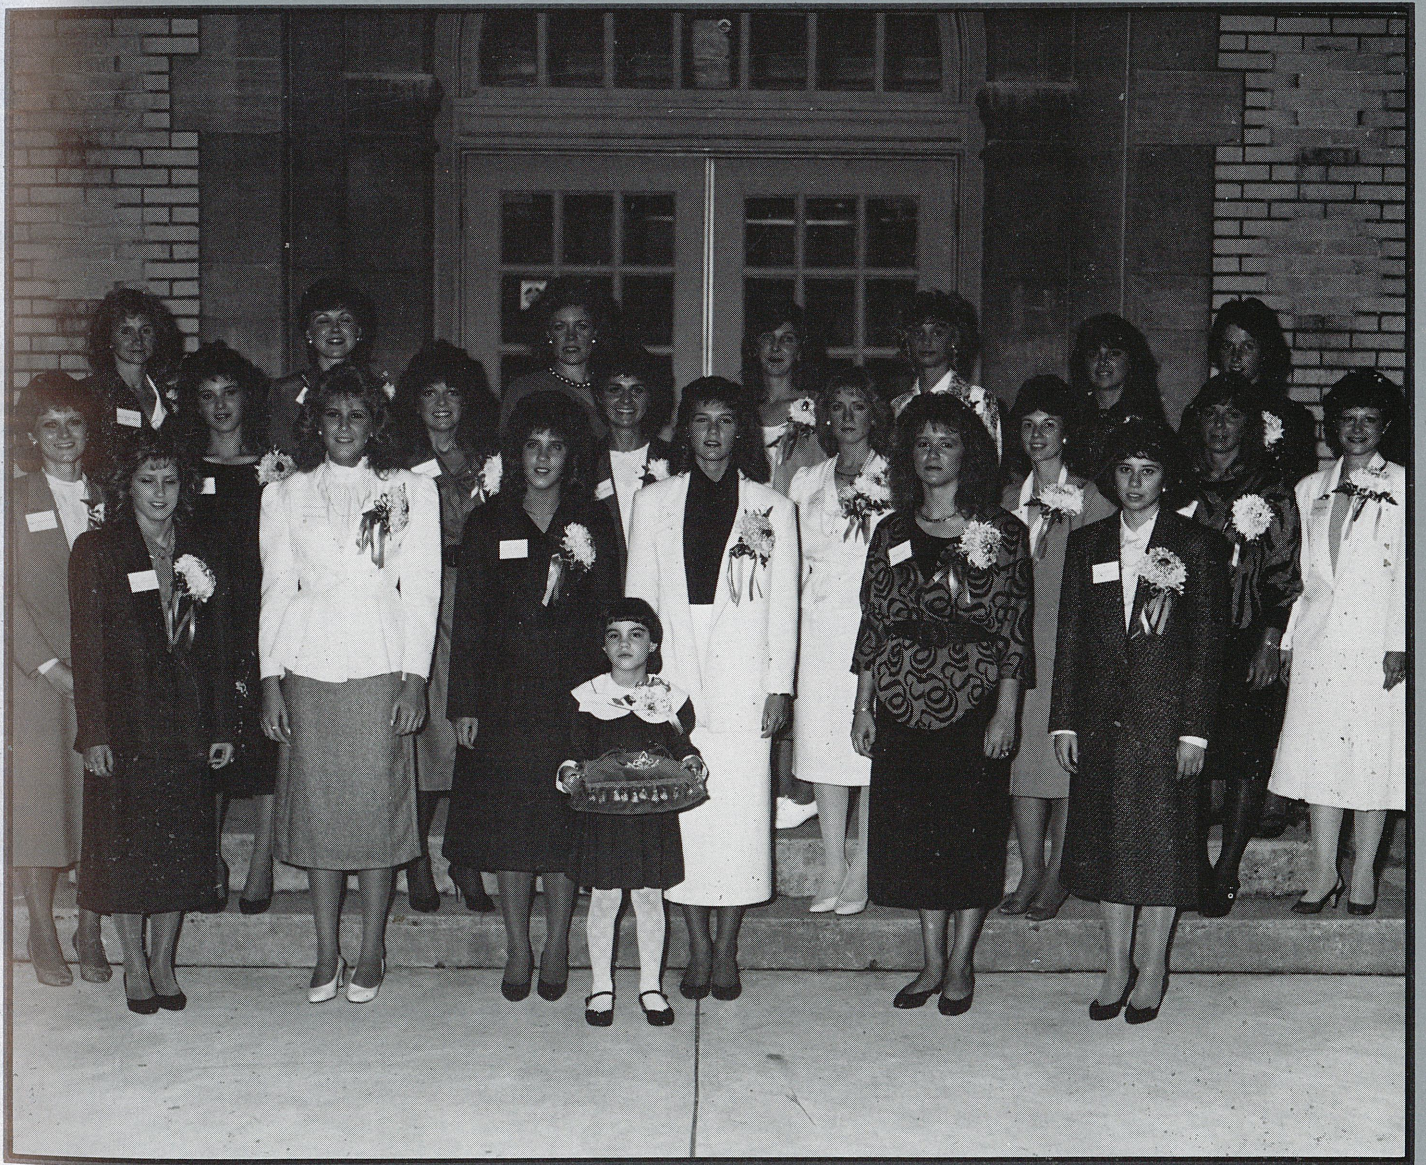

"In September 1962, Kiski Area Senior High School first opened its doors to some 1300 eager but bewildered students. These same doors, which closed in June 1963 for the initial summer vacation, were shut behind the seniors forever. There are memories for students between the opening and closing of these doors, memories of failure and success, of disappointment and achievement, of sorrow and joy.

This *CAMPUS* is offered as a reminder of friends and teachers, classes and activities - a pictorial record of the eventful and sometimes hectic first year at Kiski Area Senior High School."

These were the first words printed twenty-five years ago in the 1962-63 yearbook, the first yearbook ever to be published at Kiski Area High School. It was at this time that the spirit, pride, and excellence that exists today was born, and has grown to be a tradition at Kiski. Many factors, such as athletics, musicianship, growth of the school, excellence of students, and much more have contributed over the years to make Kiski what it is today.

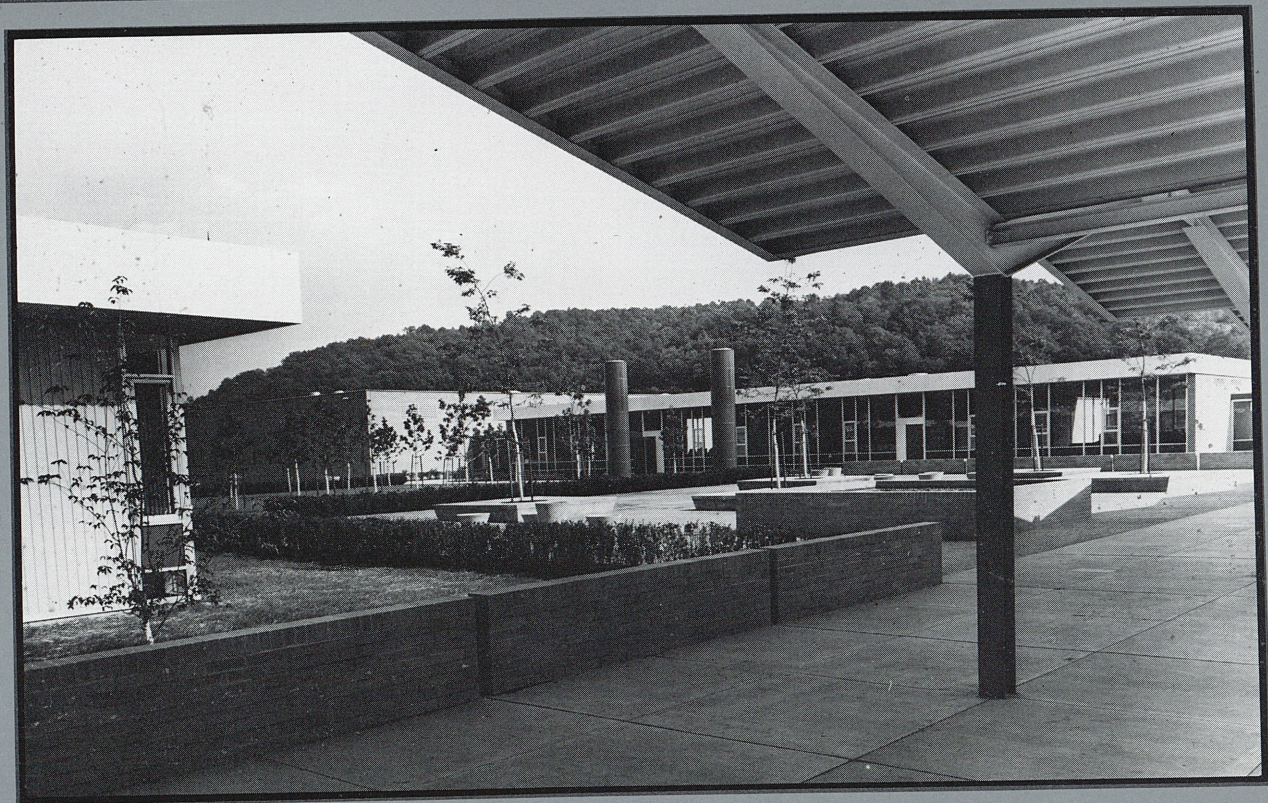

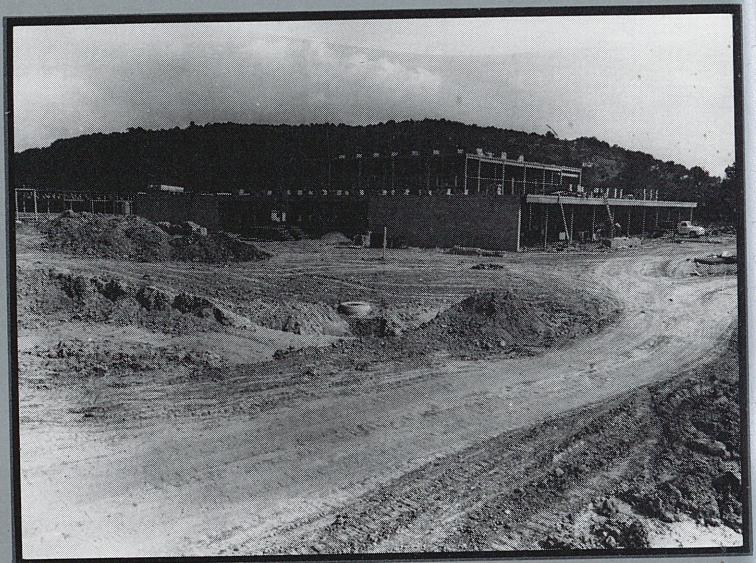

As we look back through the generations, not only are the special, spectacular, and commemorative events prominent, but also the little things and everyday occurrences seem important. On the following pages, recorded are some of the things which have contributed to our "25 years of excellence."

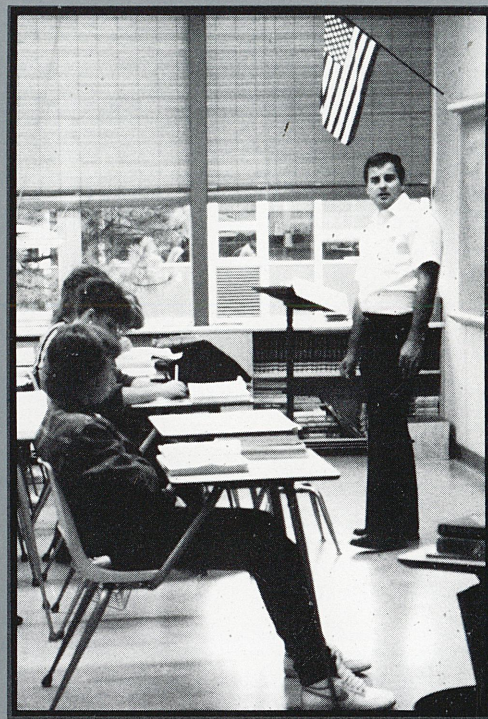

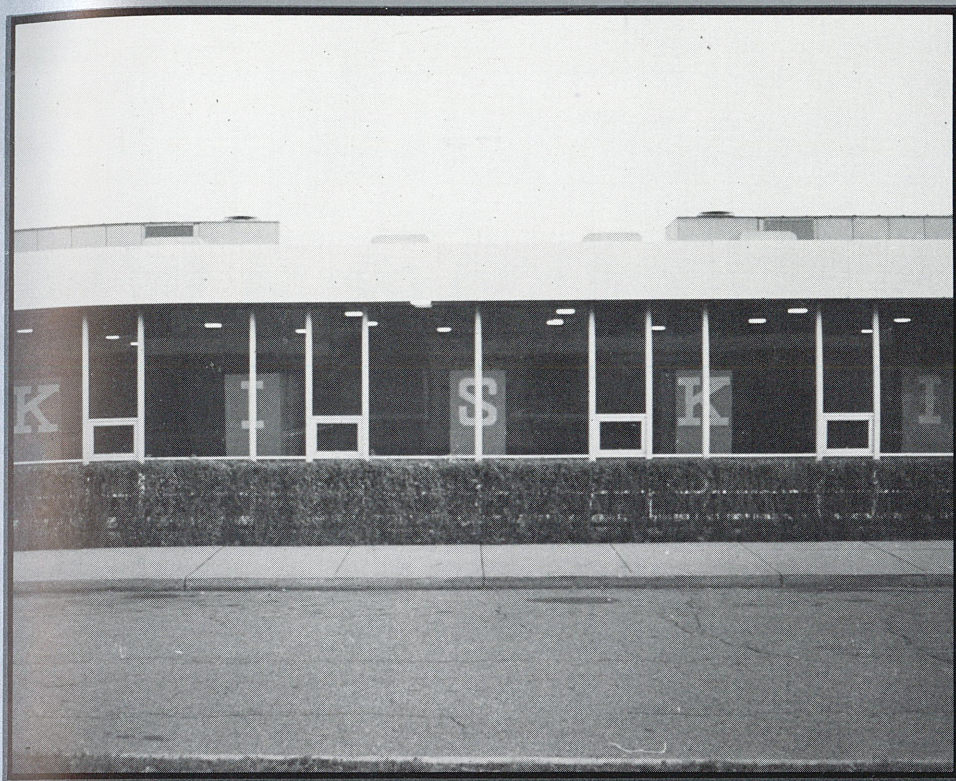

THE EXCELLENCE THE TRADITION

CHANGES . . .

SO BIG . . .

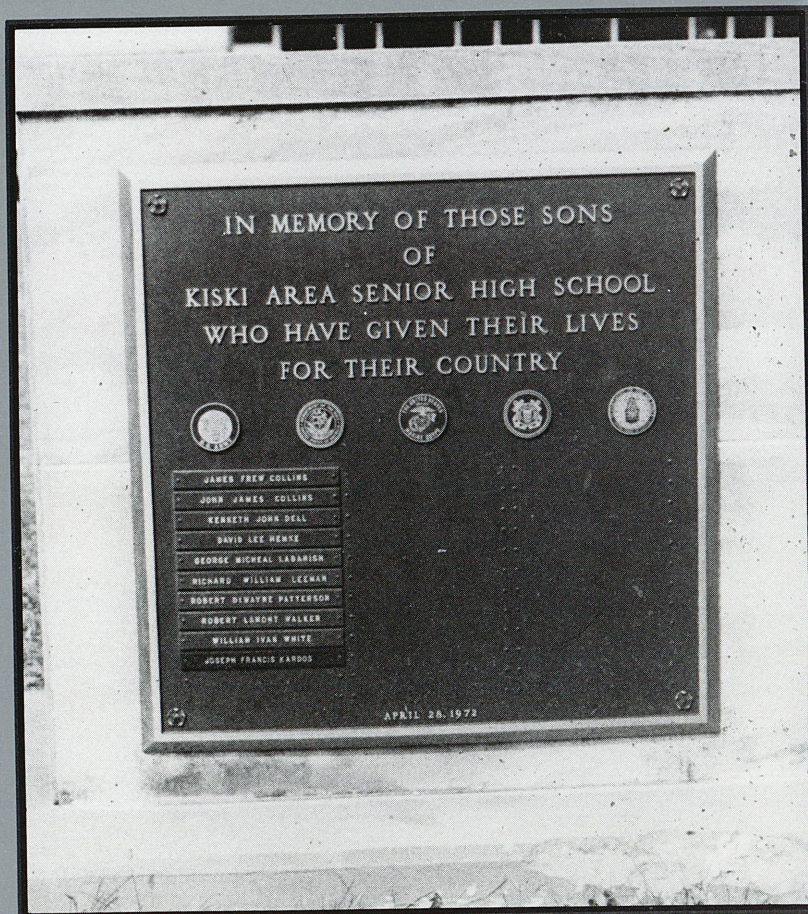

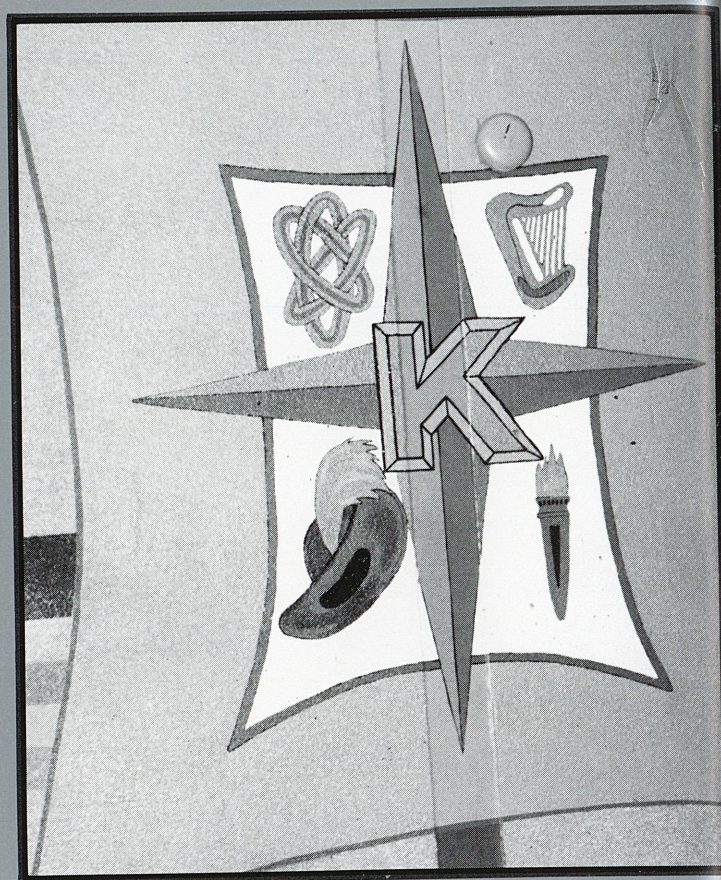

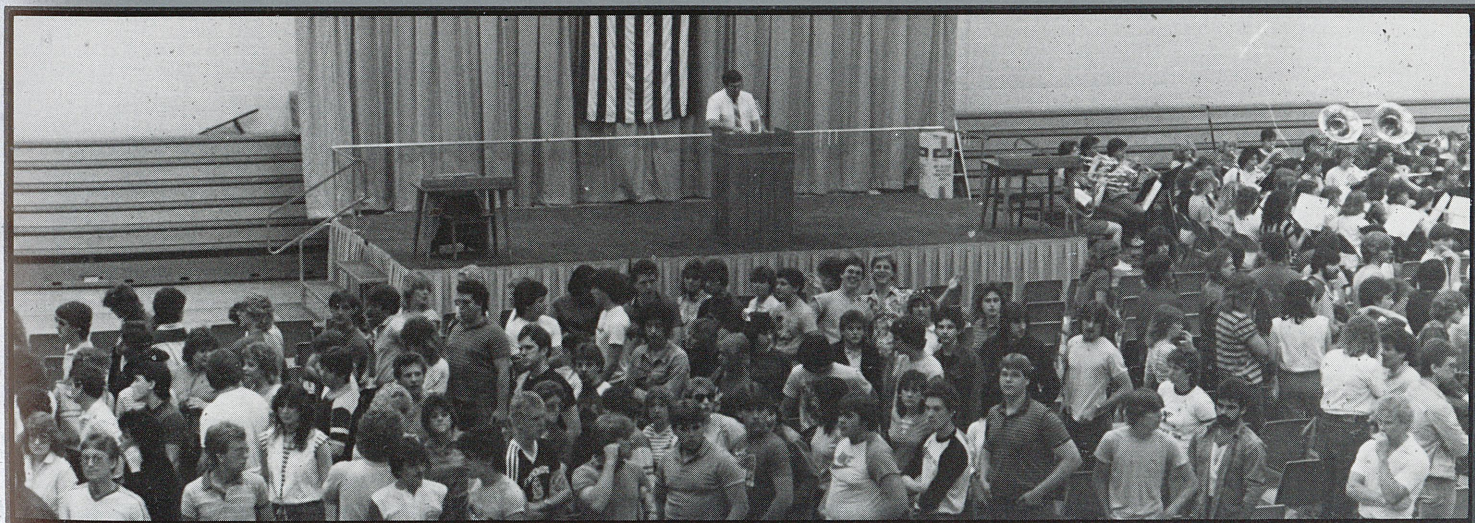

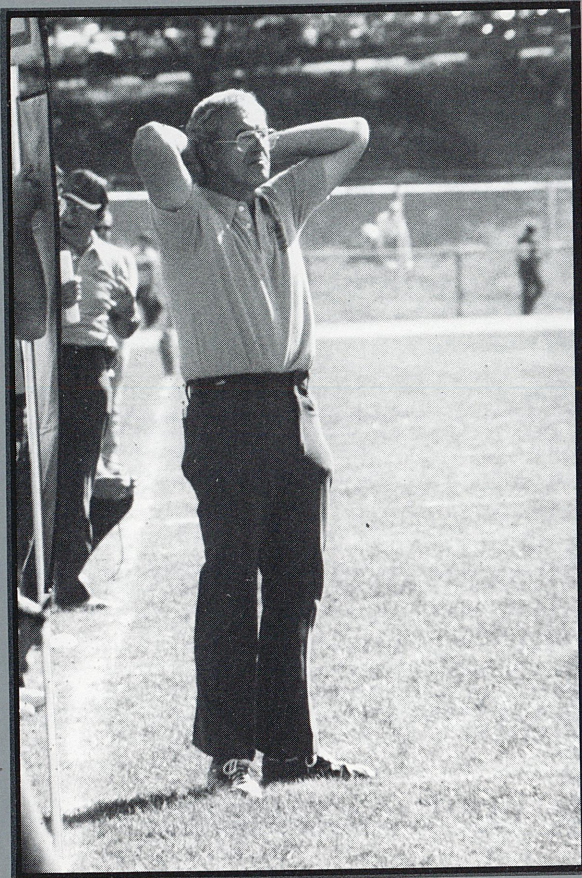

... yet so small.

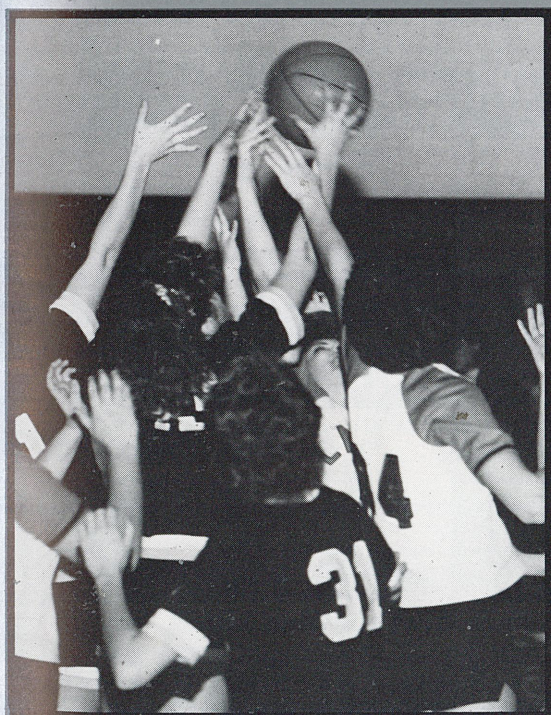

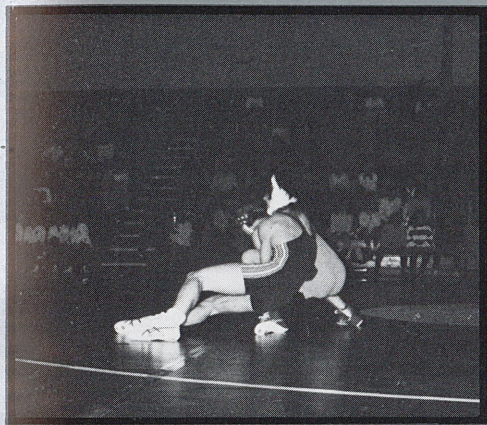

Through the years, Kiski has endured many changes; always doing their best, no matter what the situation. Kiski has always been known for its positive outlook and optimism, whether it be in our own little world here at the high school or in the vast, fast-paced society of today. The academic excellence that is created prepares all students for the real world and gives us a sense of direction, producing some of the finest graduates; some of them heroes in the true sense of the word.

As we students reminisce, remembering the years at our alma mater, we appreciate all the significance and importance placed on striving for superiority. When specific experiences and events are recalled, we will be reminded of accomplishments and trials. Thank you Kiski for giving us some of the best years of our life and making us what we are today.

Upheld by all students who have ever walked (roamed) the halls of Kiski are the high standards which have become well-established, almost inherent. Every graduate of Kiski will remember the football games on cool, crisp fall evenings and the excitement felt at the basketball games.

Head Coach Richard Dilts, other coaches, and athletes especially know the thrill of victory and the agony of defeat. Kiski has been at the top and at the bottom over the past twenty-five years; we have had undefeated teams and teams that have won only one game. It is here that the age old adage comes into being. It's not whether you win or lose, it's how you play the game. Kiski has always played its best.

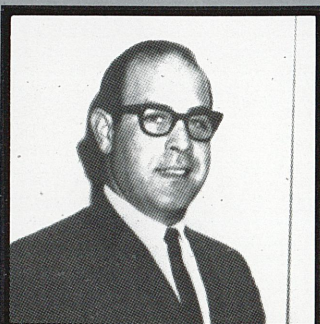

The athletic program adds an entirely new perspective to Kiski. The thrill of competition brings a different sense of nervous excitement and anticipation. The program, however has not always been what it is today. When Kiski first started, they offered only football, basketball, baseball, and swimming, only to later add other sports such as golf, volleyball, wrestling and track to our athletes.

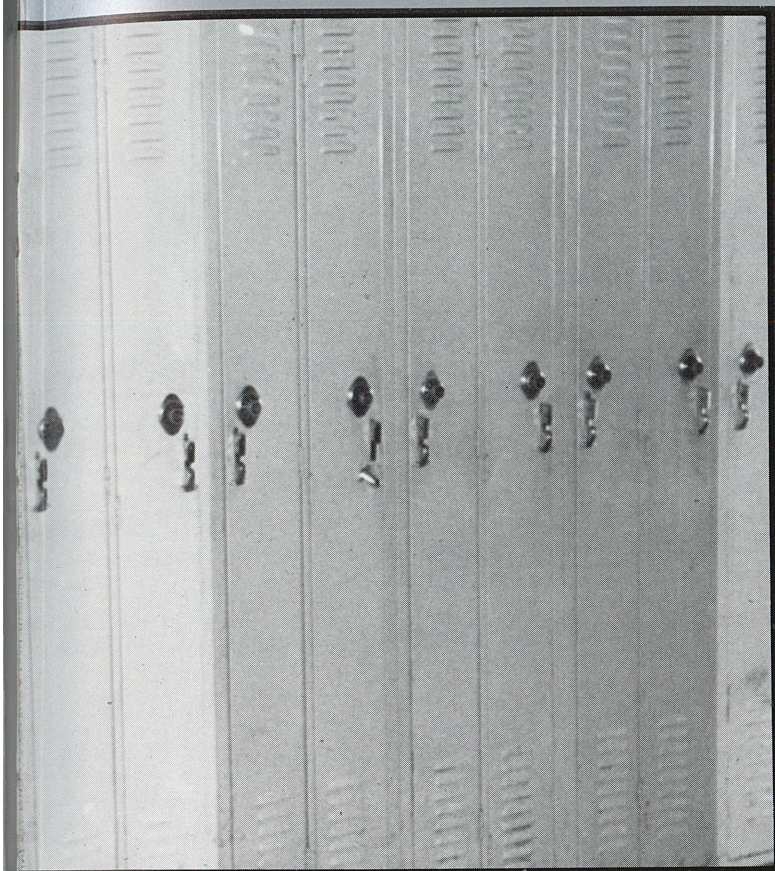

They had to work to get these newer sports added. Their diligence is what enabled us to compete on these athletic teams. By performing well and always striving for success, a sense of self-confidence was created. Everyone was proud to say "we are - - Kiski!!"

Everyone will always remember that even though we have not always had a winning season, we will always be winners.

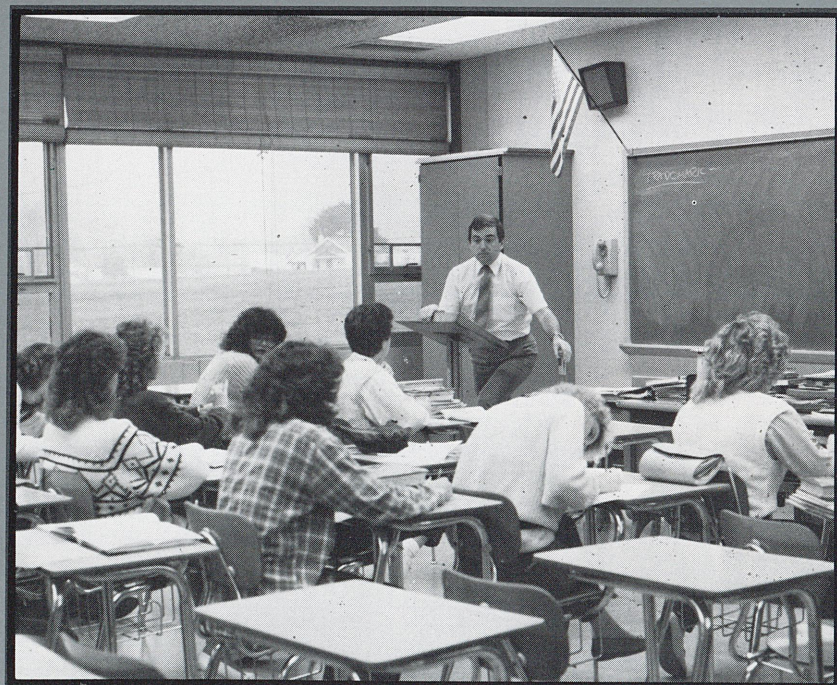

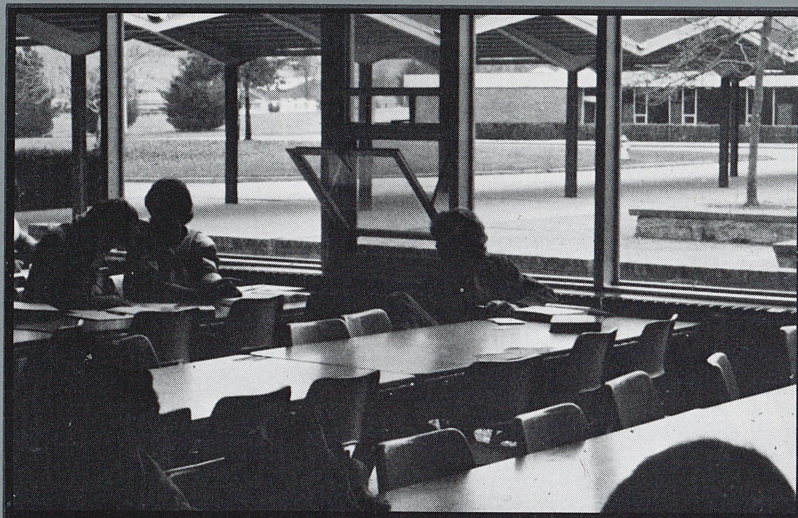

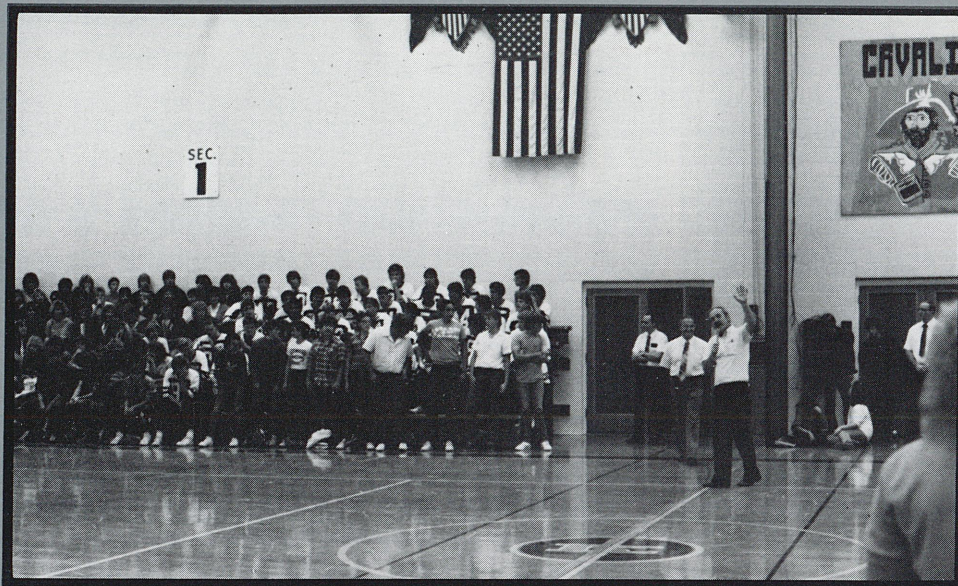

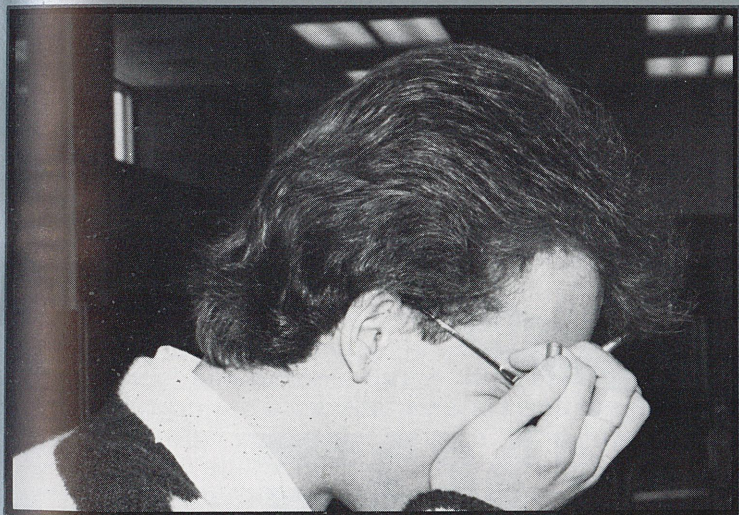

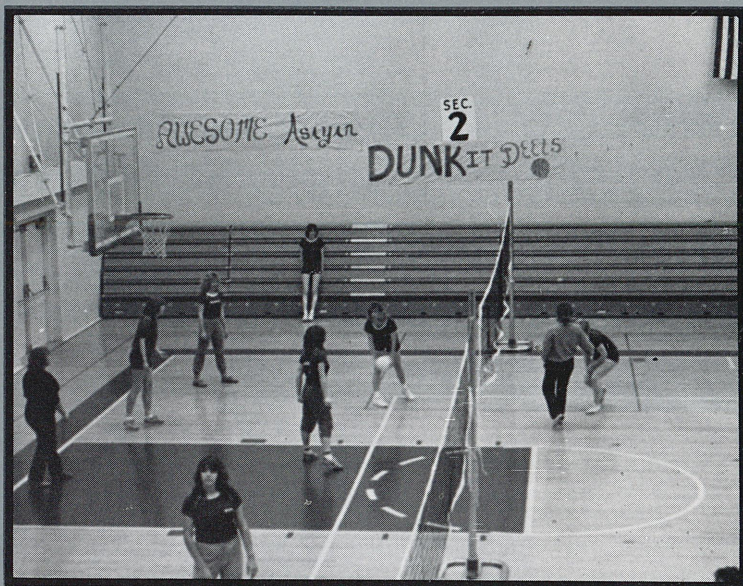

Kiski has always exhibited a great sense of pride, dignity, and accomplishment. The students have needed motivation to perfect their abilities and to excel. Teachers and administrators have always guided the students, no matter what their endeavors, to do the best that they possibly could. Some of these educators have been at Kiski since its beginning and have helped and have been a continuous part of its growth.

As we look back over our years spent at Kiski, we will remember all the special things: winning football teams, telethons, dramatic productions, great basketball seasons, senior banquets, superior baseball teams, and proms. We will also, however, remember little things. It was these little things that helped to make our time spent in this high school so great. We will miss all those special times and, as we collect all our memories, we will recall everything that we have given to Kiski: our time, effort, and abilities. But look at what it has given us in return - 25 years of excellence.

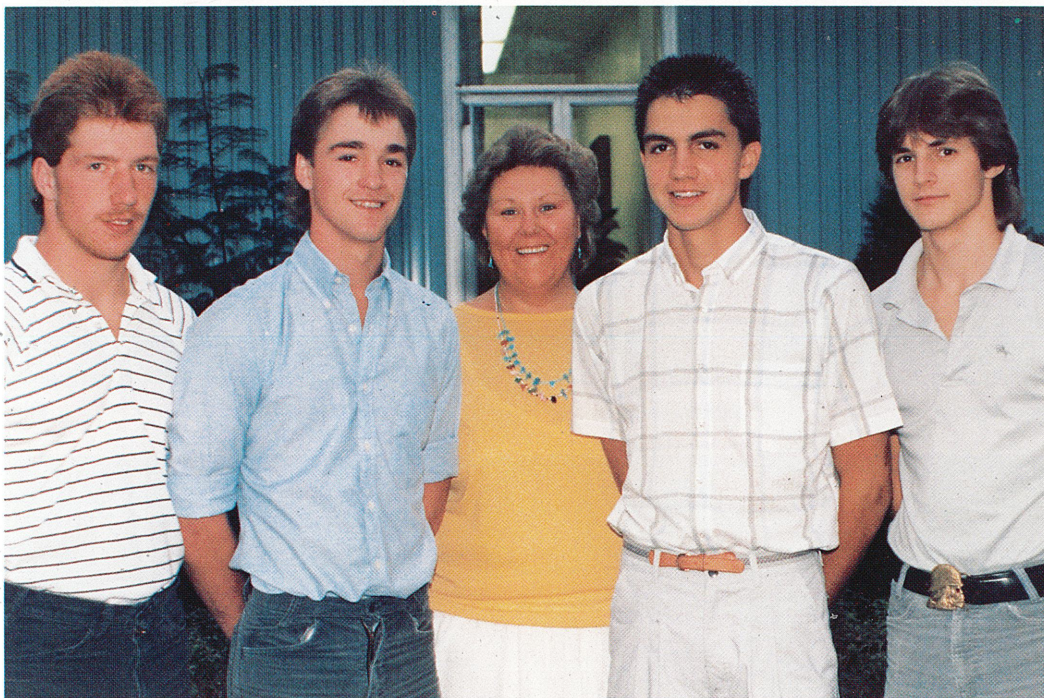

SENIORS

1987

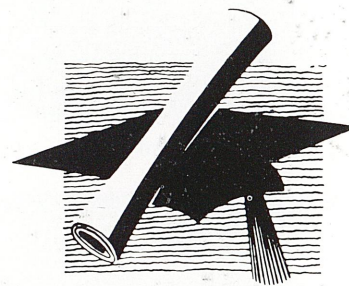

SENIOR CLASS OFFICERS: M. Riffer, V.-President; T. Hartill, President; Ms. Wichrowski, Class Advisor; D. Zabrosky, Treasurer; J. Byers, Secretary.

Changes . . .

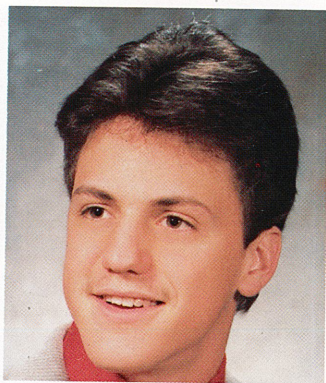

Seems like only yesterday I was that self-confident freshman. But I never caught a glimpse "of what was to come; I had to turn and face the strong" and become those "itty bitty" sophomores. We were the little guys who are somewhat insecure and the juniors and seniors are "quite aware what we're going through." "So the days flow through my eyes but the days still seem the same" as we become "jolly" juniors. We were neither the "little guys" or the "knowing all" seniors. "I still don't know what I was waiting for and my time was running wild" and I just lucked out and became a senior. As a senior I found that "everytime I thought I got it made it seemed the taste was not so sweet" so I guess being everything I thought it to be. I learned being a senior meant not telling the sophomores and juniors to "grow up and out of it because they have the right chance to change too." As a senior, there is a lot of pressure on me to decide my life's future. Some of us will go to college; others will not. For those of us who continue on it will mean still more changes. I know though that I can only progress because "time may change me but I can't trace time." "Changes are taking the pace I'm going through."

"Campus"

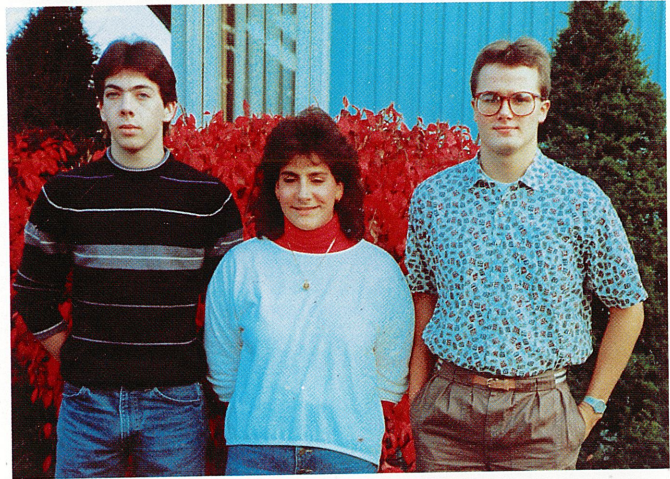

Every year, the yearbook captures special memories for Kiski's students, but only those who are on the yearbook staff realize just how much time, effort, and dedication go into making such a special keepsake. Many long hours are spent after school as well as during activity periods, study halls, and lunch, in the SAR, planning, organizing, and producing our final product the "Campus."

After brainstorming, selling ads, and taking pictures, the long laborious literary process of writing, proofreading, and typing began. Another process also began, consisting of looking through stacks of pictures and doing various layouts all before the impending, ominous DEADLINE. No staff member will ever forget these haunting words, "Would anyone like to buy a donut?!"

Once the work was finally completed, the arrival of the yearbooks was eagerly anticipated by everyone. The distribution of the "Campus" marked the closing of yet another year full of happiness, pride, excitement, and growth.

Kiski's Homecoming on Friday, September 26th, was a very exciting night because it was Kiski's 25th annual Homecoming and many special, commemorative events occurred.

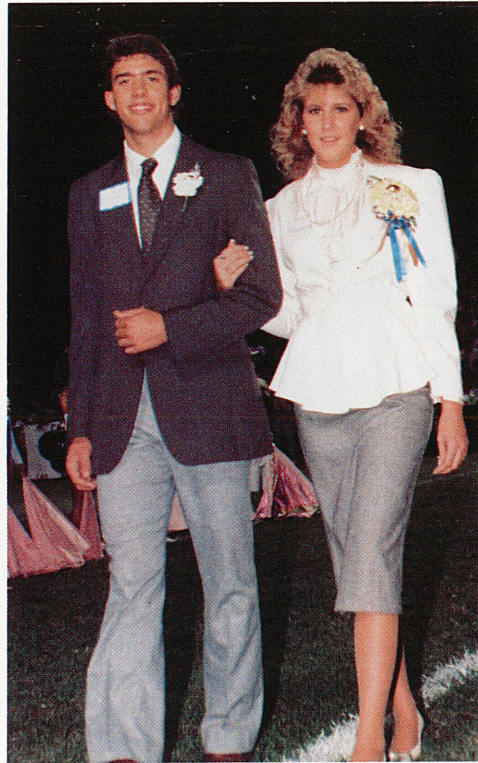

The excitement was felt by all as the court and their escorts paraded through Vandergrift in their gleaming convertibles. This year, though, was even more exciting than usual as 15 of Kiski's 24 former queens were present. Who would be the 25th Homecoming queen of Kiski Area? This question had been pondered for two weeks and the waiting was nearly over. Meanwhile, the game against Fox Chapel was the focus of attention. The crowd watched the mighty Cavs with anticipation. Many alumni returned to their alma mater to rekindle old friendships and spend time reflecting on their high school days at Kiski. Smiles and laughter filled the unusually warm evening air.

Suddenly this atmosphere changed to one of nervous anticipation. The buzzer rang, the football team ran off the field, and the band and chorus lined up for another spectacular performance. The moment we had all been waiting for finally arrived. Last year's queen, Jeanna Cerra, relinquished her crown to Kelly Lengauer, the 25th queen of Kiski Area. Kelly stepped forward to accept the crown and continue the tradition in her reign as Kiski's Homecoming queen. It was this tradition that created the 25 years of memories surrounding the ceremonies that night and numerous events happened that will create future memories.

1987

TEACHER OF THE YEAR

Larry Steuart
1985-86 Teacher Of The Year

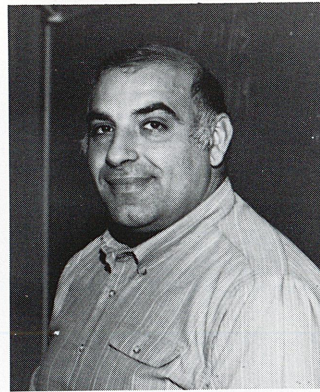

Everyone at Kiski knows how much time and effort all the teachers give their students. One has been particularly singled out because of his dedication and positive attitude that he projected toward the students. Mr. Steuart is popular with his students and they realized just how much he gives to them. For this they gave him the honor of Teacher of the Year (1985-86). By adding his own personal touch, he taught the students of his Economics and P.O.D. classes with a certain flair. His classes, informative and educational, were also enjoyable and fun to participate in. Mr. Steuart, because of his fun-loving sometimes crazy personality, will always be remembered.

JUNIORS

1987

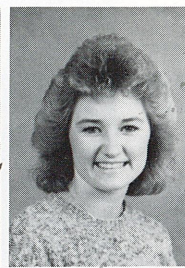

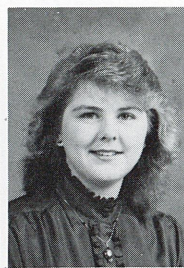

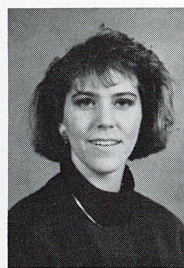

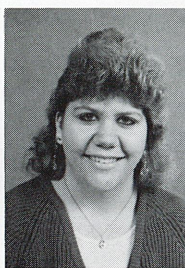

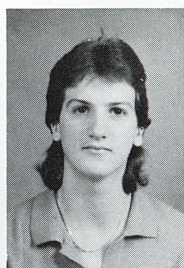

Junior Class Officers: Jennifer Rossi - Secretary, Clay Saftner - Vice-President, Jamal Jordan - President, Gail Gumbert - Treasurer.

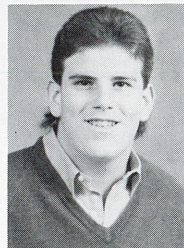

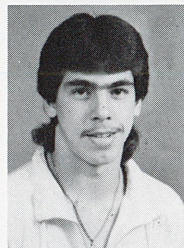

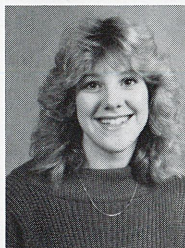

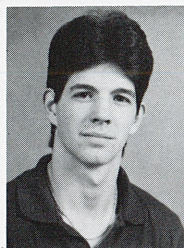

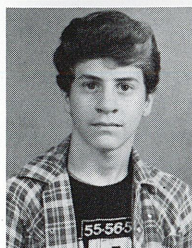

The juniors have already gone through so many changes and can expect to go through so many more. As they arrived at the high school, they came with the first incoming freshmen class. They never had the experience of being "the new kid on the block." As they adjusted to their new environment and "learned the ropes," they made new friends and memories. As their sophomore year progressed right into their junior year, things easily fell into place. They accepted their now more active role in school activities, handling the challenge extremely well. When they received their class rings and began candy sales, they felt more like an integral part of the system. Toward the end of the year, senior pictures were taken and the Junior-Senior Prom was eagerly anticipated. As experienced juniors, they prepared for their senior and final year at Kiski.

SOPHOMORES

1987

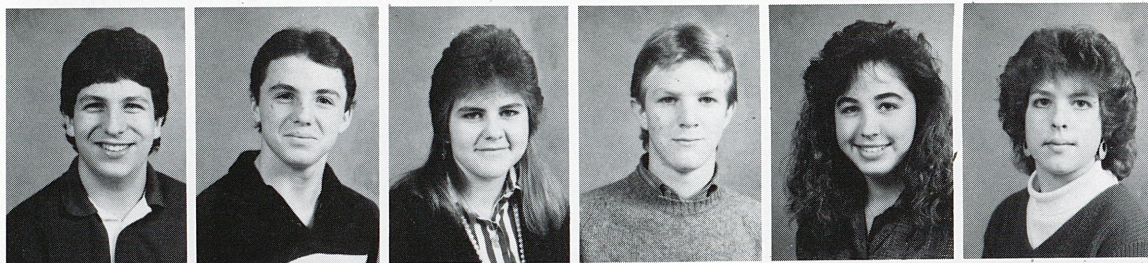

Sophomore Class Officers: Debbie Coleman - Secretary, Dave Fields - Vice-President, Cammie Biss - President, Tricia Jackson - Treasurer.

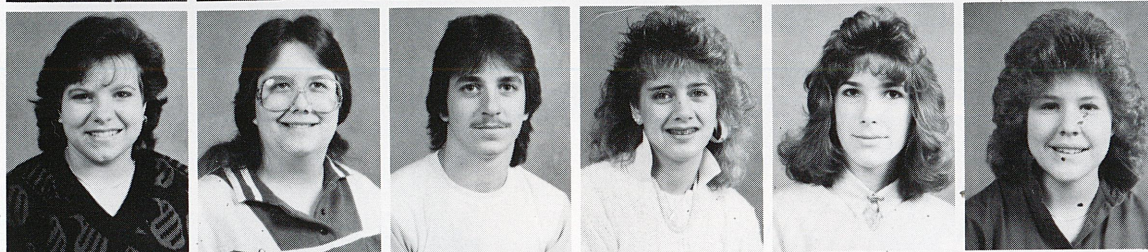

Due to the fact that this year's sophomores were originally the first ninth grade class, they, as sophomores, seem to know their way around. Their confidence is felt as they begin to take part in various clubs and varsity sports offered at Kiski. Along with their increase in extra-curricular activities, their scholastic goals are changing. The difficulty of their work goes hand-in-hand with their achievements and maturing attitudes. The sophomores also begin to relish in that strong "Kiski Pride." As the ordering of class rings progresses, their true sense of belonging to Kiski grows. Their sense of unity carries over to their election of class officers and the planning of the Sophomore-Freshmen Dance. Although attending the dance is not a new experience, sophomores are still unaccustomed to the idea of a formal dance. Although at the beginning of their sophomore year it may have seemed as if there are many years of high school remaining, a student reminiscing on his sophomore year may find his memories joyous but fleeting.

FRESHMEN

1987

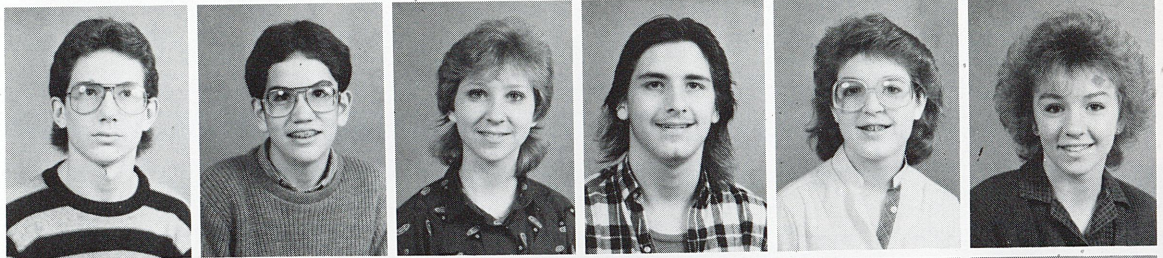

Freshmen Class Officers: Susan LaRusse - Secretary, Brandon Wilson - Vice-President, Ben Assanasen - President, Scott Wilson - Treasurer.

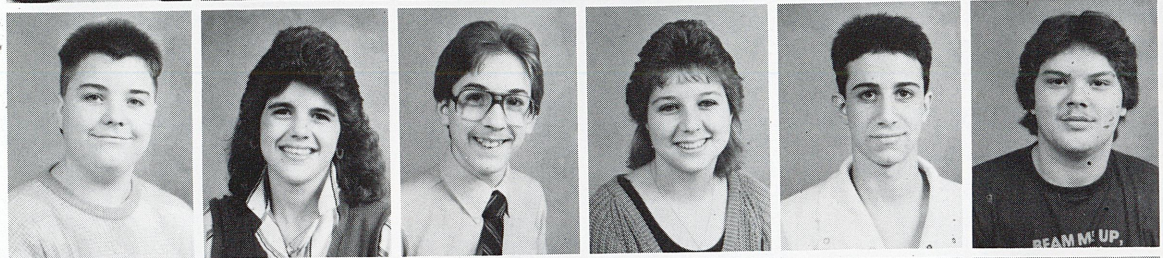

As in any other year, the freshman class began this year timid and wide-eyed at the newness and size of the "Big K." The typical worries of getting lost, being late for class, etc. were obvious in their faces for the first few days, but soon their fears diminished as they began to feel very much at home here among the new faces, new surroundings, and new friends. Their confidence grew as they became a part of Kiski, and they quickly became active in the many clubs, sports, and other activities which they discovered here. Horror stories of "The Tunnel" and other hideous things which had haunted their minds prior to their arrival were laid to rest when they ventured to see it for themselves. This is a time involving many adjustments for most freshmen, but these adjustments were handled with ease by this year's class. They can be trusted to uphold the tradition laid down by those who have already overcome the obstacles which the freshmen have really just started to face.

With the addition of a Girls' Cross Country team this year, Coach John Meighan continued his fight to bring a winning cross country program back to Kiski.

Coach Meighan stresses teamwork and discipline as the keys to a successful team. Although this years' team had a losing record, they are a very young group (only two seniors) and showed improvement with every meet they ran. The girls' situation was very similar to the boys'. This season gave the girls the experience they need to have success next year.

SECTION TWO AAA CHAMPS

..... EFFORT FOR TITLE

Everyone is aware that Kiski is known for its academic standards and scholastic records, but the athletic department has also contributed to Kiski's fame, particularly the 1986-87 football team. This past year, the Cavaliers had an excellent season ending with an 11-2 record, under the great coaching abilities of Richard Dilts and his staff. Every Kiski student has memories of all the games at the beginning of the season hoping that this year would give us "the" season. As the season progressed, it seemed as if the dreams might become a reality. As we entered the playoffs, the first conquest took place at home against Montour. After that win, it was off to Latrobe for a successful clash against Trinity. Then, the final destiny, Three Rivers Stadium. Mt. Pleasant gave the Cavs a run for their money. Even though they were defeated with a final score of 14-13 the Mighty Cavs came home winners. Their personal dedication and drive led them through a winning season and made Kiski proud.

VOLLEYBALL

GIRLS QUALIFY FOR WPIAL PLAYOFFS

As the girls sports team gain recognition at Kiski, their pride and sense of perfection grows. As more is expected of them, their drive to excel increases. With each conquest they strive to do only their best. Losing only five matches in regular season, the girl's volleyball team placed second in the section. The great wins over Indiana, Churchill, and Valley will remain in the competitors minds always. This great season not only led them to placing in the section, but it also created many memories for the players and spectators alike, making this season one of the best ever for the girl's volleyball team.

JUNIOR VARSITY BASKETBALL

J.V.'S BREAK EVEN

It's not easy being the smallest kid on the court, and the junior varsity basketball players will agree to that. Just starting out at anything is difficult, but to start a vigorous Kiski basketball season is even more difficult. Knowing that they are eventually to become the starters of the Kiski Varsity Basketball team makes the hard, grueling practice and work worth it.

"A strong team pulls together." These are the words which can be used to describe this year's swimming and diving team. It all began with the pre-season workouts in September, which consisted of lifting weights, doing endless sit-ups and push-ups, running for miles, and playing dodgeball and water-polo. The hard work continued throughout the 12,000 yard double practices over Christmas break, and the season ended in February with W.P.I.A.L. Championships, which 6 swimmers qualified for this year. Although the girls' team lacked experience, they were very dedicated and improved immensely. The boys had an excellent season, losing only one meet, which placed them second in their section. Things look great for next year. The team always managed to have fun, even while working their hardest, and their dedication paid off.

KISKI WINS SECTION

The 1986 varsity baseball team had an excellent record of 14-4-1. Holding first place in their section, the team remembered all of the hard work and dedication it took to get there-the endless hours of practice, conditioning, and injuries. Doing their best, the team carried the pride and excellence that Kiski knows so well into their athletics and brought yet another winning season to the Kiski Area playing fields.

Although they didn't have quite the season that the varsity team had, the jayvees pushed, as all Kiski athletes do, to do their very best. Ending the season with a 6-4 record, they not only experienced victory and defeat, but also prepared themselves for serving on the varsity baseball team the following year. And, of course, like other Cav teams, they savor the great victories, especially like those against Kiski Prep and Apollo-Ridge. The desire for even more great victories will ensure a great 1987-88 varsity team.

* Denotes League games

The 1986 girls softball team was faced with a challenge- a challenge of putting to its best use all new, available players. This in itself was a learning experience. It wasn't easy, however. After the first few losses, they pulled out a win against Ford City and then another win against Springdale. Although this wasn't the best season ever for Kiski's girls' softball team, they still learned the elements of the game and took pride in the way it's played, along with the hard work and effort that is put into it.

The girls' junior varsity softball team ended the season with an even record of five wins and five losses. The girls on this team experienced the "thrill of victory and the agony of defeat," slaughtering Springdale 23-7 and losing to Dayton 11-4. These girls also know what it's like to be a junior varsity team— perfecting the sport while trying to uphold Kiski's standards. They are more than ready for next year's season.

The 1985-86 tennis team worked hard this season as they entered a new section. Under the coaching of Mr. Santia, they practiced after school, concentrating on technique, speed and flexibility. Their season went fairly well, and it is hoped that as the experience and leadership on the team grow, so will their success.

TRACK

BOY'S REBUILD; GIRLS OFF TO GOOD START; NINTH GRADE WINS WPIAL'S

The 1985-86 boys track team worked very hard. A lot of people went out for track, each specializing in his own events, and the team was led by a number of seniors. Their competition was tough and their record reflected that, but nevertheless, they were very dedicated.

The 1985-86 girls track team made history this year as the first girls track team at Kiski. Under the coaching of Mr. Halli, Mr. Wicks and Mr. Meighan, the inexperienced team worked very hard and everyone really enjoyed themselves while learning to improve. Although the record doesn't show it, they had a very successful first season, and the future of the girls track team looks great.

For the past two years, the Kiski Area Marching Band has been associated with Bands of America, and participated in the competitions. This nationwide organization is dedicated to music education and its contribution to the overall development of high school students. It considers the competition experience viable in the educational process.

The purpose of Bands of America is to provide the band program with growing and learning opportunities through friendly competition.

This year, on the local level, Kiski Area has participated in four Pennsylvania Federation Competitions. We have been recognized for our ability in the Western Pennsylvania area, and have been awarded 12 trophies: First Place, East Allegheny Band Competition with Best Music, Best Visual, Best General Effect, and Best Auxiliary; Second Place, Baldwin Band Competition, Best Music; Third Place, Norwin Band Competition, Best Auxiliary; Second Place, Overall, P.F.C.J. Band Championships, Best Overall Music.

We were the first school from the Alle-Kiski Valley to have qualified for a national level competition. The band is under the direction of Scott Koter and the program theme was "Jazz in Motion."

It featured "Killer Jeanine," a medley of the 1950 jazz classics "Killer Joe," and "Jeanine," and four Spanish numbers combined in "Sketches of Spain."

The auxiliary units used five prop changes during the program to highlight a variety of visual effects that were coordinated to the music. Mastery of this complex marching and music program exemplifies why Kiski Area is recognized as an outstanding leader in music education.

COLORGUARD

Row 1 H. Holupka, L. Waner, M. Bieranoski, J. Berger, M. Bowman, M. Mannella, K. Bush (captain), K. Luisi, (silk captain), S. Ament, K. Floyd, C. Coscarelli, T. Seben, K. Kunselman. Row 2 S. Faith, K. Moore, J. Spolar.

Summer vacation began, and so did colorguard practices. We started very early preparing for this year's upcoming season. There were many routines, drills, and marching techniques to be learned and perfected by our first performance in August. The hours we spent learning and practicing these routines seemed endless, but we never stopped pushing ourselves and accepting nothing but the best.

As soon as the first football games and competitions began, we knew a busy season was ahead of us. More grueling hours were spent practicing and competing, but everything paid off in the end.

Much confidence and pride was gained from being a Kiski Area Colorguard.

MAJORETTES

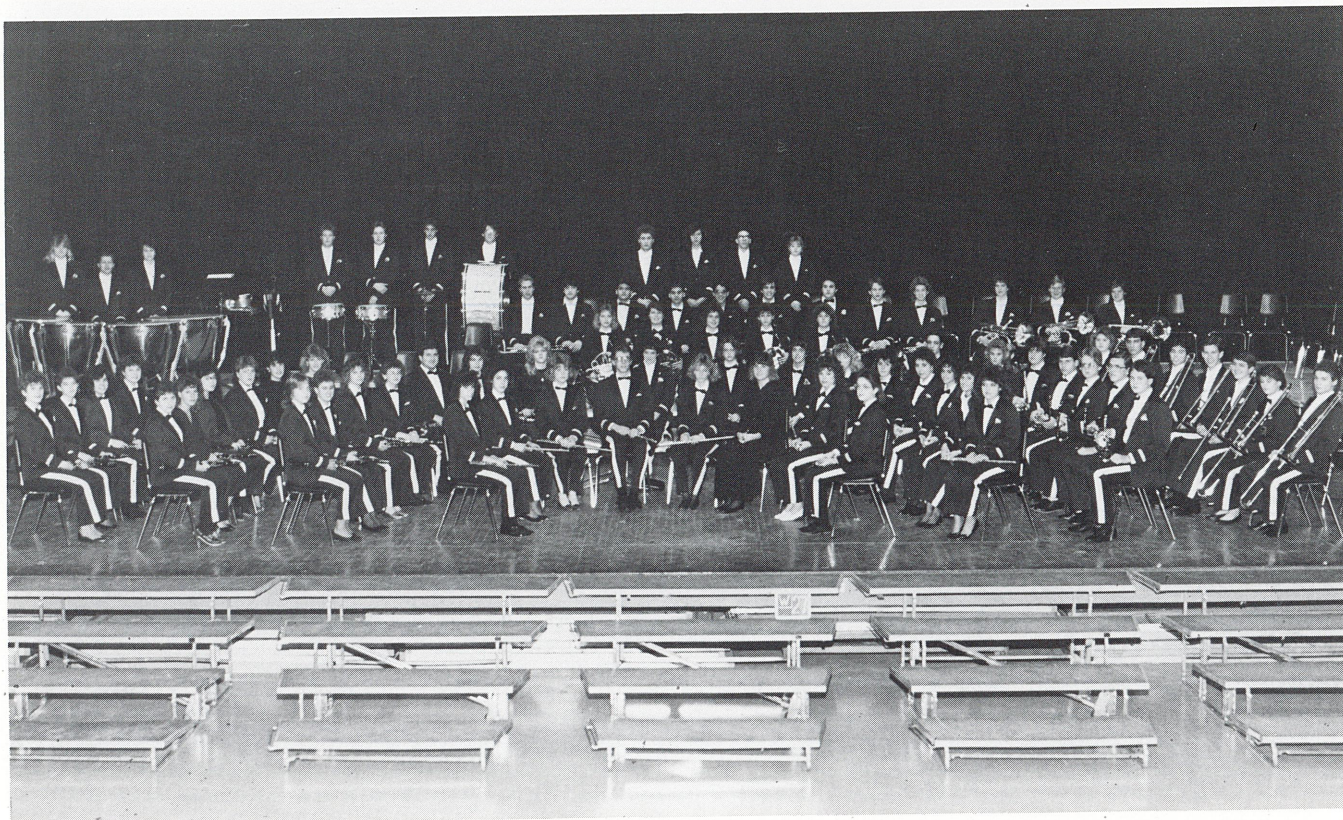

Row 1 T. Clark, J. Williamson (captain), L. Pecko (co-captain), A. Klem. Row 2 D. Peppler, A. Slupek, D. DePanics. Row 3 D. Coleman, L. Orvosh, L. Mislavovich, K. McKinney, W. George.

The majorette season began with long Tuesday night practices in June. There were many difficult routines and formations to be learned, but we were still determined to make this year the best it could be.

Band camp started in August, and more hours were spent on perfecting our routines and striving to be the best. Before we knew it, our season had started with our traditional Kennywood Parade, and our first field performance at Latrobe. When we heard the first note from the band, nothing else mattered. We knew it would be a promising season.

Symphonic Band needs much effort, time, and commitment in order to maintain the excellence that has always shown, particularly throughout their various performances. Even as the marching band season progresses, directors and students are looking forward to and preparing for the beginning of symphonic band rehearsals. Much consideration is employed on the part of the directors in placing students in their sections and seating them in their proper chairs. By doing this they put to use the best possible talent and abilities of the musicians. After this, even more work is to follow. The endless hours of practicing during ninth periods, after school, and during lessons. Everyone remembers being excused from class to go to a lesson and the etudes that had to be played individually in order to receive a grade. But probably the most memorable of all would be the anticipation and sensation of excitement before a performance and the thrill and sense of accomplishment and pride that accompany the sound of applause making everything worthwhile.

As the thrill of the marching band season draws to a close, the students set into a new routine of reporting for concert band every ninth period rather than marching band. Although adjustment is necessary soon the directors and their musicians settle and set down to work, preparing for upcoming concerts. Through endless hours of rehearsal, including ninth period and sectional lessons, the students perfect their music readying it for a performance. As the date of the concert looms closer and closer, the bits and pieces of the music link. The melody intertwines with various harmonies creating a wonderful display of sound for their audience. The musicians take their bow and acknowledge the audience's applause, recognition for a job well done.

The Concert Choir consists of many hard-working, dedicated juniors and seniors, who practice everyday under the direction of Mr. McClelland. The choir, along with its instructor, strives for perfection and one can hear the noticeable difference from year to year. By trying to out do themselves, the members make every effort to improve the sound and quality of their personal voices and the chorus as a whole. Each year the Concert Choir participates in Christmas and Spring concerts, events greatly appreciated by all.

Sponsored by Mrs. Baun, the French Club was kept quite busy this year. For instance, once a month, the club meets to study the customs of the French and to also plan future activities. Around Christmas, they raised money for a generous donation to our annual telethon. The club also went on various field trips to learn more about the French culture and habits. Throughout these activities we not only learned about France, but had a good time, too.

GERMAN CLUB

Zidek, S. Wonders, D. Smail.

Under the direction of Mr. Pipkins, the 1986-87 German Club planned and participated in many fulfilled activities such as carolling and pledging for the telethon and selling Valentine's Day treats. Combined with the other foreign language clubs, they participated in the International Breakfast. The club as a whole attended University of Pitt-Greensburg in celebration of Humanities Day, and selected students attended Slippery Rock University for a foreign language competition. Supporting the foreign exchange program, German students continue their education over the summer by traveling to Germany.

The National Honor Society, the NHS, was created to recognize students that deserve it. The members of the Honor Society were chosen based on their scholarship, leadership, service, and character. Members must have an overall scholastic average of 3.4. Chosen by their teachers, members are considered for their performance in each of the four categories. Being a member entails such activities as organizing and carrying through with various coffeehouses and planning the induction of new members, while still maintaining the qualities for which they were chosen and striving for excellence. Taking pride in all their activities enables the members to work to their full potentials and do their best.

The future, for most of us, is a great exciting mystery since we should carefully plan for and work towards. The Future Business Leaders of America do just that. They are enrolled in business courses offered at Kiski to prepare themselves for a career in business. The main function of the F.B.L.A. is to raise money for and organize their interscholastic business competitions. To raise money, they held hoagie sales, and for Valentines Day, they sold lollipops to send to friends. There are a number of competitions which students participate in, including the regional competition and statewide competition. The regional competition is held at the Westmoreland Community College in Youngwood at the end of February, and the top three in each category go on to states.

Categories include all levels of: Accounting, Typing, Shorthand, Office Procedures, Public Speaking, Business Math and English, and Ms. and Mr. F.B.L.A. The state competition is held in May at Host Farm, Lancaster.

LIBRARY AIDES

Mislanovich, O. Lazzari, S. Miller, L. Mason, M. Himes, K. Toth, R. Klingensmith.

The Library Aides are the people willing to give up their activity periods and study halls to assist Mr. Kulas with his numerous duties. Filing returned books on the endless rows of shelves, organizing stacks of magazines in the storage room, and checking books out for the entire school are just a few of the many. Everyone has received an overdue notice for a book at one time or another, and a second thought was probably never given to who was responsible for writing or delivering those. Library Aides must familiarize themselves with the back storage rooms full of magazines, microfilm, cassettes, and filmstrips.

People may say that all they do is relax and listen to the radio, but next time you're in the library take a look. The Library Aides work very hard to help Mr. Kulas keep our library well organized.

GIFTED FORUM

ROW 1 D. Phillips, P. Thornton, M. Holm, H. Busch, S. Smith, A. Martin. ROW 2 J. Coffman, C. Calhoun, A. Hayes, A. Parke, C. Wilson, J. Kasecky, C. Schultheis, L. Mislavovich, A. Fisher, J. Sublinsky. ROW 3 M. Langford, D. Kropp, R. Fisher, T. Azinger, M. Herbster, L. Gibson, S. Elliott, J. Geary, B. Ray, S. Debick.

The Gifted Forum is a club made up of accelerated students who attend Kiski. It is basically divided into four main subjects: history, English, science and math taught by Mrs. Crossan, Mr. Varine, Mr. Norton and Mrs. Scales, respectively. These students meet at least twice a week in enrichment class instead of attending a normal scheduled class or activity period. During this time, they discuss things they have in common, and by concentrating only on the subject that interests them, the students have the opportunity to delve into topics of concern in more depth.

You might have seen the members of YTSC standing in the driveway of the high school particular mornings this year. Not only were they stopping traffic, they were also checking to see if everybody who drives to school, including faculty, was wearing his seatbelt. This is one of the many ways the group tries to promote traffic safety.

Presently working with Pennsylvania's Network of Volunteers for Highway Safety, the group had the option to sponsor a regional conference. They attended these conferences throughout the year. Some members helped to plan the state summer conference to be held in Harrisburg.

All of the activities the group participates in are held in order to work with other students across the state. They work to make not only our area safer but the entire state a safer place to drive. You can do your part by buckling up the next time you get in the car.

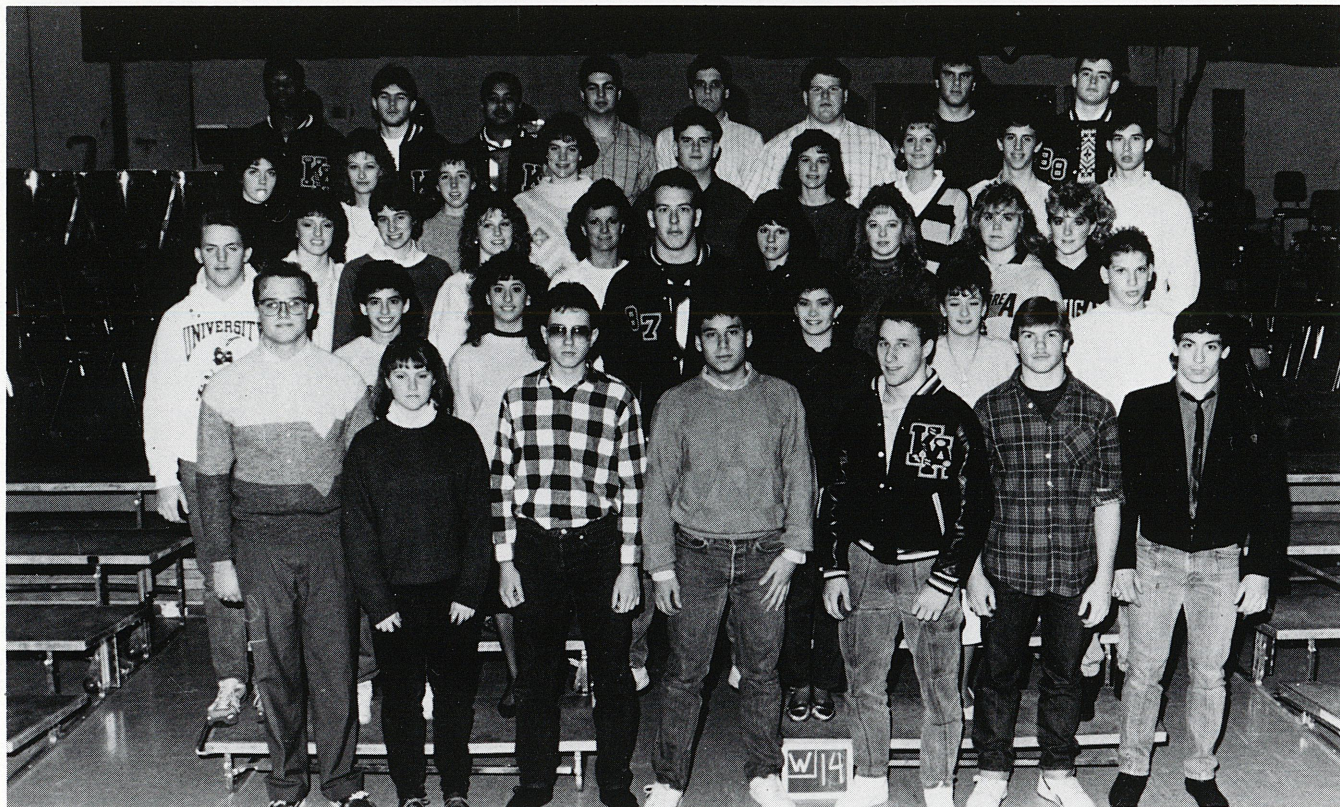

SCIENCE CLUB

ROW 1 M. Zamalis, M. Holm, S. Hunt, B. Wolfe, J. Kasecky, ROW 2 K. Jackson, D. Kropp, R. Fisher-Secretary, M. Ashby Vice-President, K. George-President, G. Alese-Tres. ROW 3 T. Cignetti, S. Elliott, D. Byers, T. Geary, D. Cable.

In our school, there is a small group of students with a passion for science. This group, the Science Club, meets every month under the supervision of Mr. Varine. The club members meet to discuss different science problems. Throughout the year, they participated in the Super Bowl of Problem Solving. Some members also got to participate at the Chemistry Olympics.

VARSITY CLUB

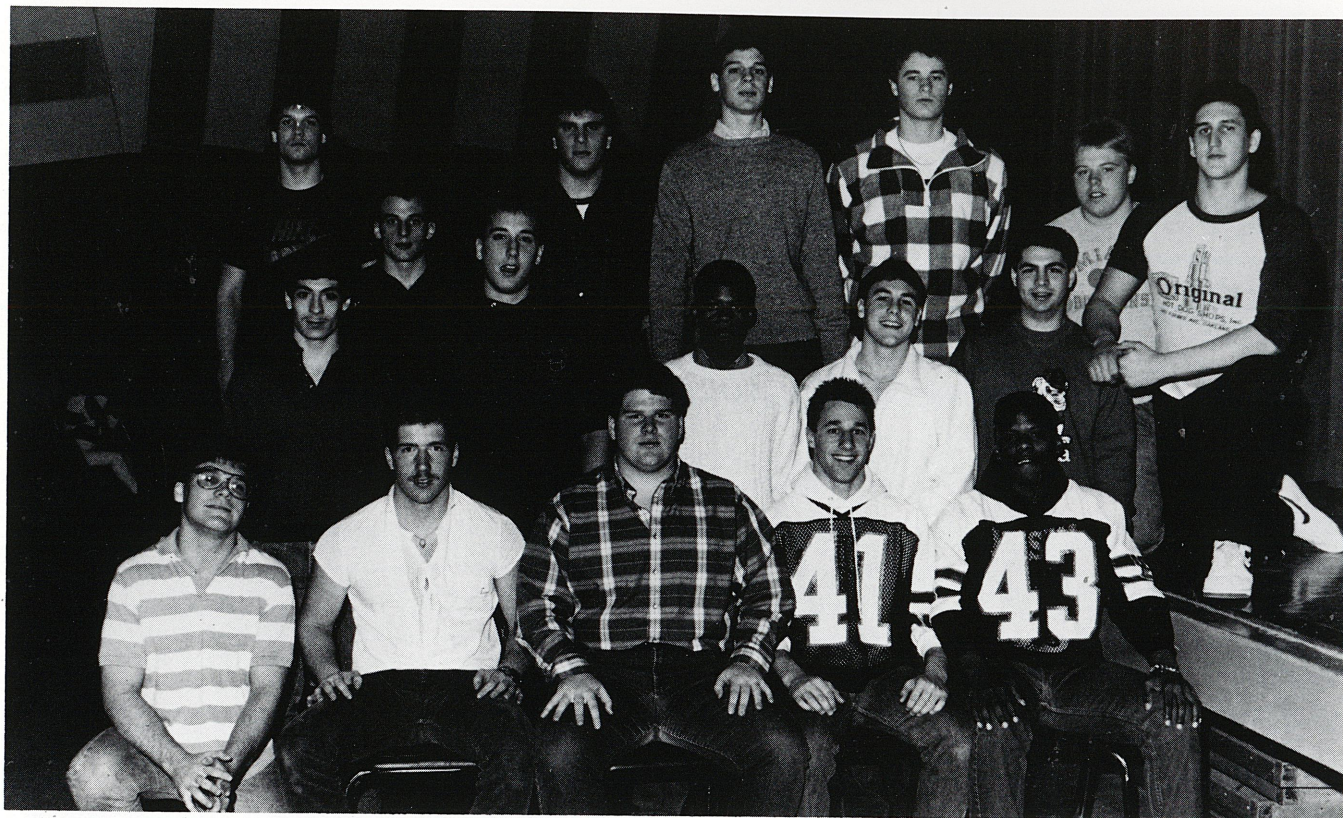

ROW 1 M. Ashby, P. Thornton, R. DelleDonne, T. Berarducci, J. Vida, E. Poleski, J. Frederick. ROW 2 J. Jordon, D. Testa, D. DePanici, C. Kipp, M. Mannella, L. Mosack, S. Baustert. ROW 3 S. Miller, A. Jordon, M. Rametta, J. Taylor, J. Kelly, J. Corna, B. Shaffer, D. Yannacci, T. Geary.

The Varsity Club consists of many dedicated student athletes who excel at their sport. Having a varsity letter is the only requirement for this club whose main purpose is showing school spirit by attending sport events and supporting the numerous athletic teams at Kiski. The members also raise money for their varsity jackets.

Dedication and pride are typical features of Varsity Club members.

KEY CLUB

ROW 1 S. Vak, M. Riffer, B. Shaffer, J. Vida, A. Jordan. ROW 2 J. Frederick, F. Waronsky, J. Jordan, T. Joyner, J. Kelly, E. Shaffer. ROW 3 S. Love, T. Azinger, D. Yannacci, K. Cessna, M. Cominos, C. Troilo.

The Key Club is an organized branch of the Kiwanis. The students involved in this organization are dedicated to supporting community and school services. Some members could be seen at the 5 & 10 in Vandergrift ringing a bell to raise money for the Salvation Army. The members also helped the Kiwanis with Wally Taber's Wild Life Safari Show. The Key Club is a public service enrichment group. They donated a Thanksgiving dinner to a needy family as a public service. On March 5, they sponsored a student-faculty basketball game, which proved to be a worthwhile event. The proceeds from that event went to the purchase of a new scoreboard for the baseball team. Every other Wednesday members of the club have a luncheon with community individuals to bring students and their community closer together.

"To develop, improve, and execute good skiing at all ability levels, and to have fun." These were the two main goals of the Ski Club. This years club was under the direction of Mrs. Schultz, Mr. Dupstadt, as well as two teachers from Vandergrift Intermediate School: Mr. Bissell and Miss Mazanek. There seems to be a general consensus that goal #2 was definitely fulfilled throughout the clubs five weekly trips to Hidden Valley. These trips were taken on consecutive Thursday nights and were included in the price of the Ski Club membership. All members had to take a ski lesson at each trip before hot-doggin' on their own, whether they were experienced skiers or not. Incidentally, a person would not need to know how to ski in order to join the club. The majority of the members had previous skiing experience, but intimidation was not shown as membership inclined. Ski Club members also sported a specially designed patch on their coats which helped those around them to identify them.

In addition to the five trips to Hidden Valley, the Ski Club also planned a trip to Seven Springs and even a trip to Holiday Valley, N.Y.

DRAMA CLUB

Row 1: E. Mator, M. Altman, T. Woody, C. Coscarelli, M. Noble, Row 2: L. Souzer, E. Flack, A. Bigenho, R. Polchinski, B. Williams, A. Bender. Row 3: E. Kettering, T. Calhoun, S. Riggle, J. Harwick, K. McKinney, A. Hayes, T. Paulet.

The Drama Club of Kiski Area provides a theatrical outlet for the students while allowing them the opportunity to learn about the preparation and production of a play. As the members of this club learn about interpretation of characters and their portrayal, they also are allowed to actually put on a production. This enables the young actors and actresses to understand the workings of a dramatic production. Learning the basics of play acting and dramatics permits creative and original outlet that everyone needs. The imagination comes through and can be easily perceived throughout a performance when an actor "gives it his all." The work, time, and effort put forth by all is evident in the excellent quality of their performances.

CHESS CLUB

ROW 1 M. Alcorn, K. Bechtold, S. Bowman, A. Crouse, J. Calhoun, D. Dobrowolski, S. Phillips, C. Claypool, D. Jackson, J. Coffman.
ROW 2 B. Moxon,, L. Kravetsky, M. Ceraso, C. Caugherty, S. Reyer, P. Sabot, T. Berarducci, T. Cignetti, D. Sharrar, A. Connor, M. Shurina. ROW 3 R. Fisher, R. Burkett, S. Molnar, P. Phillips, D Wallace, D Crouse, K. George, M. Ashby, K. Cessna, D. Cable, G. Wiles.

Chess is a game normally associated with wise old men having white beards, but this stereotype was totally overthrown this year as the first Chess Club was formed at Kiski.

Students from all grades met twice a month and a round-robin type of tournament was conducted with winners playing winners, and losers playing other losers, until one person became champion. This club consisted mostly of boys, and most of the members had already had some experience in the game.

This is not to say that you must know how to play chess in order to join the club. A few of the members this year had never played before, and they learned as they went along.

The future of the Chess Club looks hopeful, as interscholastic chess competitions may be organized to add excitement. All members agree that it was a lot of fun, and hopefully this year was the beginning of a long-lived club.

TRIVIAL PURSUIT

Do you know what the capital of Sudan is? Most people don't, but the members of the Trivial Pursuit Club probably know that it is Khartoum. Students at Kiski that think about the trivial, little facts that exist in the world today meet twice a month to trade facts and play "Trivial Pursuit." The juniors and seniors assemble together to play. Whether the students are playing individually or as teams, there is inevitably a conversation or discussion of the information. This is what constitutes the educational value of this club. It also gives its members a chance for social interaction while still having fun. By the way, what rock group struck gold with "At the Hop?" It was Danny and the Juniors.

TRIVIAL PURSUIT

Row 1 K. Kiebler, D. Hunt, B. Wolfe, J. Swanderski, S. Wilson, P. Frey, J. Morgan, M. Ghiardi, C. Holupka, T. Williamson, H. Evans, L. Fiorina. Row 2 L. Tagnemma, M. Rearic, A. Fisher, T. Tonks, H. Meyhofer, K. Bechtold, D. Farster, M. Tressler, S. McGuire, P. David, A. Cernicky, K. Valente, T. Wilt, J. Wills, J. Tuite, D. Munko, C. Urick. Row 3 S. Abate, J. Spolar, K. Arndt, C. Kaminski, G. Wiles, B. Young, G. Dohmen, S. Scott, A. Posney, C. Fantaski, M. Jamison, M. Duriancik, S. Lott. Row 4 C. Claypool, D. Zidek, F. Duncan, C. Vittone, S. Wonders, J. Stange, B. Ray, S. Smith, R. Sperski, T. Moran, T. Poulat, A. Hugan, K. Davis, L. Pisone, B. Sterlitz, S. Pisone, S. Hilty.

The freshmen and sophomores have their own Trivial Pursuit Club, separate from the seniors and juniors. This gives them the opportunity to meet and get to know the members of their own classes, the people that they will share the rest of their high school years with. While they are in the club, they are able to learn facts about the world surrounding them. The students answer questions, such as:

- What country received all the Nobel Prizes awarded in 1976?
The United States
- What is rubella known as?
German measles
- Who was made the first honorary citizen of the United States?
Winston Churchill

By learning the answers to these and many other questions, they begin to understand the role of various facts and figures in today's world. Learning in a positive and social environment aids the student in enjoying school. The game gives the members of the club a "break" from the daily routine, but it still enables them to learn.

Under the direction of our new faculty advisor, Mr. Brenneman, SADD worked with the Pennsylvania Network of Volunteers for Highway Safety.

Throughout the year the SADD program planned their efforts to make your prom one that was free of drunk driving. To do this, they distributed messages to local florists and formal attire shops in the area. This is their way of preventing drunk driving. We would like to see you do your part, too. Friends don't let other friends drink and drive. It is a deadly combination.

All of Kiski's athletic teams need support throughout the season. The fans are great, but the cheerleaders give it that little bit extra. Freezing during the football games, they lead the chants and cheers to root on the Cavs. They give it their all in their own competitions, too. Competing against cheerleaders from other schools is an integral part of being a cheerleader, and this is the main reason for their long hours of practice and hard work. Thanks for getting the fans "fired up" at the pep assemblies and leading the cheers for the terrific sporting events.

VO - TECH

Northern Westmoreland Area Vo-Tech is located in New Kensington. It consists of students from Kiski, Burrell, Franklin, and Valley High Schools. Students attend Vo-Tech for half of a day and they attend their home schools for the other half. There are fifteen courses offered at Vo-Tech. Among them are cosmetology, food service, carpentry and masonry. Once students graduate from Vo-Tech, they are ready to enter the work force, because they have had the advanced training that most students must wait to receive until after they graduate.
